Night Work – Environmental Investigation

Penrith City Council has appointed Georgiou Group to deliver the early works component of the Dunheved Road Upgrade. This project is fully funded by the Australian Government. As part of the early works, Georgiou Group will carry out two-night shifts between **Wednesday 29 April and Monday 4 May 2026**.

What work are we doing?

Georgiou will carry out environmental investigation work throughout the entirety of Dunheved Road.

This work will include the use of:

- Drill Mounted Utility Vehicles
- Tipper Trucks
- Traffic Control Vehicles and Devices

When and where we'll be working

We will be working along Dunheved Road between Richmond Road and Werrington Road. Up to two evening and night shifts is required between Wednesday 29 April and Monday 1 May 2026 and between the hours of **8pm to 5am**.

What will this mean for you?

You may notice:

- Workers and vehicles
- Reduced speed limits and pedestrian detours
- Noise from machinery and equipment
- Minor traffic interruptions.

We aim to manage our night work to avoid impacts to the community and the environment.

Traffic changes

Please keep to speed limits and follow the directions of traffic controllers and signs. For the latest traffic updates, contact 132 701, visit [livetraffic.com](https://www.livetraffic.com) or download the Live Traffic NSW App.

Thank you for your patience during this important work.
