

Dunheved Road Upgrade

January 2026

Australian Government

BUILDING AUSTRALIA

Community Update

Penrith City Council has appointed Georgiou Group to deliver the early works component of the Dunheved Road Upgrade. This project is fully funded by the Australian Government. As part of the early works, Georgiou Group will carry out work on Dunheved Road from **Monday 2 February to Tuesday 31 March 2026**.

What work are we doing and where?

Georgiou will carry out geotechnical, environmental and utility investigation work across the project, on Dunheved Road between Richmond Road and Werrington Road. This work will include the use of vacuum trucks, road saw, tipper trucks, ute mounted augers and drill rigs.

When we'll be working

From **Monday 2 February to Tuesday 31 March**, our work hours are **7am to 6pm on Monday to Friday**, and **8am to 1pm on Saturdays**. From **Sunday 8 February**, our night work hours are **8pm to 5am from Sunday to Thursday**.

What will this mean for you?

You may notice:

- workers and vehicles
- reduced speed limits and pedestrian detours
- noise from machinery and equipment including road saw, drills, excavators, vacuum trucks and tipper trucks
- minor traffic interruptions.

We aim to manage our night work to avoid impacts to the community and the environment. This includes fencing for safety and security, and installing noise blankets and reducing noise, where possible.
